Autumn Term Newsletter 10 - 25/11/2020

Dear Parents and Carers

December is nearly upon us and we are beginning to look forward to Christmas. It will, of course, be different this year but we planning celebrations in school and I am sure you too are looking forward to seeing the festive period through the eyes of your children.

Christmas Dates

Festive Friday 4th Dec - Children can wear Christmas jumpers and will enjoy making Christmas crafts in their classrooms. We would usually ask for donations of bottles and chocolate for our Christmas Fair Tombola rather than a donation for non- uniform.

This year we would like children to bring an item that will go into a Christmas hamper titled 'A Good Night In'. Items will be quarantined in the library and Hampers will be made up and raffled on Monday 14th December. Suggestions for donations include: a bottle of something, chocolate, Christmas biscuits, popcorn, a Christmas game or colouring book, some bubble bath, crisps, hot chocolate etc. Please use your imagination and don't spend too much money.

'Raffle tickets' will be sold through **Parentpay** for £1 per ticket. You will not receive a physical ticket but your name will be entered into a virtual drawn. Please support us if you can.

Festival Friday 11th Dec - Teachers will send children home with a poem to learn for our Christmas Choral Speaking Festival which will be recorded and posted on Facebook so parents can also watch. Look out for poems in book bags next week.

Christmas Parties

Christmas parties will be held on Tuesday 15th and Wednesday 16th November. Each class will have a slot in the hall which would usually be their PE slot. There will be Christmas music and dancing, followed by party games. Children will be provided with a snack and a drink in their classrooms with more festive fun. We are asking for a voluntary contribution of £1 through **Parentpay** as we will not be asking for contributions of party food. Any children with allergies will be allowed to bring their own if parents prefer. Children can wear party clothes or non-uniform on their party day.

Tuesday 15 th Dec	Reception, Year 3, Year 6 and Year 2
------------------------------	--------------------------------------

Wednesday 16 th Dec	Year 1, Year 4, Year 5
--------------------------------	------------------------

Christmas Cards

Children are welcome to write cards to their friends and teachers as usual this year but delivery will be different. A red Christmas post box will be placed at the front gate from 1st - 11th December. Children can post cards to anyone in school but must include their full name and year group on the envelope. The cards will be delivered on 14th December. No late deliveries!

Reception Class Nativity

Reception class will record their nativity and it will be posted on Facebook for parents and friends to watch.

Christingle Service

Our KS2 Christingle service will be held in classrooms and photos and snippets will be shared on Facebook.

We are planning to take children outside onto the school path and sing carols and Christmas songs when the weather allows it. Again, we will record snippets so you too can enjoy. We will decorate the path as this is visited by each class for Pennington Paces every day. If anyone has any outdoor decorations that they don't want such as garlands, bunting, baubles, please let us know.

Virtual Tour

All classes contributed to our virtual tour which is now on our Website. Miss Exley cleverly put it together and it provides a flavour of our school. It was designed, particularly with potential new families in mind, as currently we are unable to show anyone round school and have restricted visitors to students and those completing essential works. If you know anyone who will be joining us next year or who is looking for a school place, please encourage them to have a look.

School Photographs

Photographs were sent home yesterday - all orders must be placed directly with **JS Schools Photography** either online or over the phone by Thursday 3rd December. Parents need to visit photos.jssp.co.uk and enter the access code that is displayed on their proof. Alternatively, they can call the office to place an order on **01773717984** (office hours Monday-Friday 9:00am-4.30pm).

All orders will be returned back to school approximately 2 weeks after the order deadline, unless parents select home delivery at checkout for an additional cost.

ORDERING AFTER THE DEADLINE - If you miss the deadline of 3rd December, you can still order online or calling the office, however a minimum £3.99 delivery charge will apply and orders will be delivered to the home address.

POST TO PARENTS - If you chose to have all orders posted direct to parents' home addresses then no completed orders will be returned back to school.

Free School Meal Eligibility

We want to make sure that we are providing your child with the best education and support we can. Healthy school food has obvious health benefits and can help pupils establish healthy habits for life. Healthy school food can also help to improve pupils' readiness to learn.

Families who receive certain benefits may be eligible for free school meals. Your child is eligible for free school meals if you're in receipt of one of the following benefits:

- Universal Credit with an annual net earned income of no more than £7,400.
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Working Tax Credit run-on (paid for the four weeks after you stop qualifying for Working Tax Credit)
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190

Registering for free meals could also raise an extra [**£1,320** for your child's primary school] to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from central government for every child whose parent is receiving one of the benefits listed above.

Home Learning

If there is a confirmed case of Covid 19 in any class, the children and staff from that class will have to self-isolate for 14 days. During this time, the class teacher, supported by teaching assistants will send home learning via Dojo or Tapestry. This system worked extremely well during the first lockdown and many of you thanked teachers for their support and creativity. We appreciate that it is not easy for parents to teach their own children at home, especially if they are trying to work from home at the same time. Teachers will try to support in whatever way they can so please get in touch, if you need any further advice/ support. Teachers will provide regular feedback to children which many of you commented was personal and supportive.

We will send no more than 3 hours of work a day. This will consist of an English, Maths and another task/activity related to the curriculum.

There may be a situation where an individual or small number of children are self-isolating from one or more of our classes. In this instance, teachers will send home learning for those individuals on a daily/weekly basis. Please be aware that this may be sent after school as teachers will also be teaching the rest of their classes in school. Feedback for home learners will be less frequent.

Morale/Wellbeing

Friday 6 th November	Fruity Friday	All children in school will be provided with a free piece of fruit
Friday 13 th November	Fun Friday	All children to come to school with a joke to share with their class. These will be recorded and sent to other classes too
